Using the library

Access is granted to everybody, but you have to **reserve your seat** through the App 'Affluences' or 'Affluences via WEB'

<https://affluences.com/biblioteca-di-geoscienze>

To search books, please check the University catalog GalileoDiscovery. To reserve those on loan, please access your personal area in GalileoDiscovery, by using your University email address and password (SSO).

The loan of **textbooks** is shorter than that of other books. You can borrow them for 15 days (green sticker) or for the weekend (yellow sticker).

Some textbooks are available as **e-books**, and they are accessible remotely through SSO.

Edited by Sciences Libraries.

Using the Digital Library

A Library is not only a place where you can go to study, full of books to borrow and with a free Wi-Fi connection.

A library is also something more
It's the Digital Library!

<https://biblio.unipd.it/en>

Access **Galileo Discovery**, the main access to the Digital Library, to read and download books and journals, search data banks and much more

<https://galileodiscovery.unipd.it>

If you are off-campus you can reach the Digital Library all the time and from everywhere, with your laptop, PC or mobile through Auth-Proxy and SSO. Check the Library website for details
